STORY

Only a pure maiden can have the privilege to contract with a spirit..

Priestesses, who can summon spirits from Astral Zero, the world of the spirits, and have full command of their power, are called elementalists.

Kamito Kazehaya is the only male with this privilege, and for what happened in the past he comes to Areisha Spirit Academy where priestesses are trained to become elementalists. He is then told that he is to transfer to the school, form a team with priestesses to compete in Blade Dance where the most powerful elementalist is chosen, and win first place.

The winner of Blade Dance is said to be granted a single wish, whatever it may be. The story of fate is set in motion for the priestesses with their own wishes and a boy who resists the past.
