STORY

Kyotaro Kakei is a second year high school pupil, and reading is what he lives for.

He goes to Shiomi Academy, a huge school with a lot of talented pupils, but Kakei spends his time alone at the library, reading books and avoiding unnecessary interactions with others. His days are peaceful.

One morning, Kakei receives an email. "A life-changing incident will happen to you today,"

The sender is "Shepherd".

The email is from the most famous but mysterious being at Shiomi Academy. He is said to make wishes come true for those who work hard. Immediately afterwards, Kakei gets a hunch and saves a classmate from a de-railing accident of a tram .

From then onward, however, his days becomes increasingly unsettled.
