STORY

【Browsing】

It's past 1 am at a manga cafe. Yuri is absorbed in reading a manga alone in a private room when a "number withheld" message appears on her mobile.

【Engine Stall】

At an outdated gas station in the countryside where there is no mobile signal, a man in dirty overalls is noticed standing by the wall with a spanner in his hand.

【Necklace】

Nami is tired of job hunting and is seated on a park bench. Suddenly a strange man puts a necklace on Nami's neck and does an outrageous action.

【Street at Night】

On the way home, the narrow path is obstructed by a man laying stiffly across it.

【Must Not Eat】

At a modest country motel where rooms are rented by the hour. A company worker, Tomita, brings Kayo to his room and asks, "may I eat your nails?"
